

MINI MULTI bench

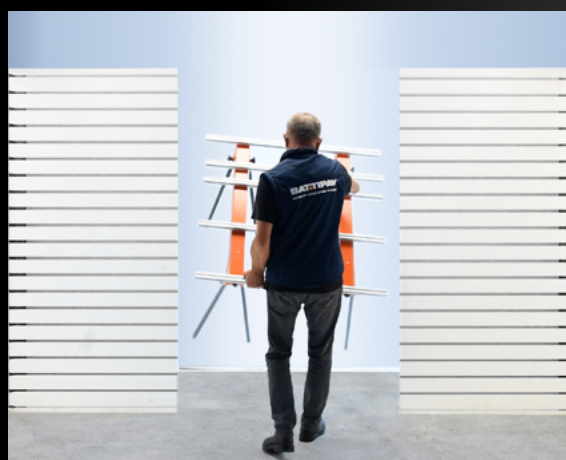

Art. 11206

Quick and compact system to open and close the legs. The encumbrance is reduced at minimum.

Compatible with Battipav PRIME / SUPREME electric saws using a JOINT SET (art. 11205).

It is based on our Multi Bench but is compact and great for transporting anywhere and with ease.

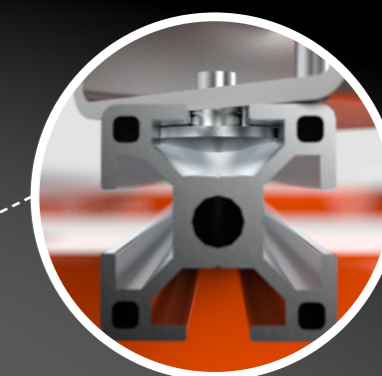

Supplied with soft case for an easy transport.

System includes:

- 2 stands with foldable legs
- 5 aluminum profiles with fixing screws (max. 7 profiles)
- 1 soft case

It is possible to use B-Lock Tile Locking System (optional)

Art. 11204
Joint for Mini Multi Bench
2 units (optional)

Art. 11203
